

KRISTEN A. YULE, PHD

LICENSED PSYCHOLOGIST, CALIFORNIA- PSY33904

PHONE: 310-930-0967

EMAIL: KYULEY@GMAIL.COM

EDUCATION

MARQUETTE UNIVERSITY, MILWAUKEE, WI

Doctor of Philosophy, Clinical Psychology (APA Accredited) August 2017 – August 2021

- Clinical Internship: CHOC - Children's Hospital of Orange County
- Dissertation: *Reflective Functioning in Caregivers: Links to Adverse Experiences with Childhood Caregivers and Emotion Socialization Behaviors with Preschool-aged Children*

Master of Science, Clinical Psychology

August 2015 – August 2017

- Master's Thesis: *Caregivers' Role in Promoting Resilience in Preschoolers*

SOUTHERN METHODIST UNIVERSITY, DALLAS, TX

August 2011 – May 2015

Majors: Psychology (With Distinction), Sociology

Degrees Conferred: Bachelor of Arts, *Magna Cum Laude*, May 2015

Honors Thesis: *Predicting Direct Observations of High-School Students' Responsive Bystander Behavior During Situations of Dating Violence*

CLINICAL EXPERIENCE

CHOC - CHILDREN'S HOSPITAL OF ORANGE COUNTY, ORANGE, CA

August 2022 – Present

Pediatric Psychologist, Department of Psychology

Chief Psychologist: Heather Huszti, PhD

Director of Pediatric Psychology: Julie Moghal, PhD

- Pediatric psychology inpatient consultation and liaison service
- Mental health screening program implementation and intervention for Pediatric Diabetes Clinics
- Outpatient psychotherapy for youth with comorbid medical and mental health concerns
- Assisting in the development and implementation of universal mental health screening program across primary and specialty clinics at CHOC Children's

CHOC - CHILDREN'S HOSPITAL OF ORANGE COUNTY, ORANGE, CA

August 2021 – August 2022

Pediatric Psychology Postdoctoral Fellow - Consultation and Liaison Track

Training Director: Marni Nagel, PhD

Consultation and Liaison Service

Supervisor: Maleia Mathis, PhD

- Responded to inpatient unit medical referrals; collaborated with multidisciplinary medical teams; facilitated patient and family interviews; conducted suicide risk and safety assessments; assisted in disposition planning; provided patient and family support around diagnosis and hospitalization; assisted medical teams and families in the implementation of behavioral plans to support inpatient medical treatment; provided brief interventions during hospitalization; and participated in daily psychosocial rounds with Psychiatry

Cystic Fibrosis Clinic

Supervisor: Adrienne Alpern, PhD

- Consulted with multidisciplinary team members; assessed barriers to adherence, adjustment to illness, and suicide risk and safety; and provided motivational interviewing and brief evidence-based interventions for the treatment of depression, anxiety, and adherence concerns

Outpatient Therapy: Department of Pediatric Psychology

Supervisor: Mery Taylor, PhD

- Conducted biopsychosocial intake assessments; consulted with medical providers; and provided evidence-based treatment to patients and their families to address difficulties related to depression, anxiety, adjustment to medical diagnoses, malnutrition, pain management, and adherence

CHOC - CHILDREN'S HOSPITAL OF ORANGE COUNTY, ORANGE, CA
 Predoctoral Pediatric Psychology Intern (APA Accredited)
 Training Director: Marni Nagel, PhD

August 2020 – August 2021

Core Rotations

Outpatient Therapy: Department of Pediatric Psychology (12 months)

Supervisor: Nicole Vincent, PhD

- Conducted biopsychosocial intake assessments; consulted with medical providers; implemented evidence-based interventions to patients and families; administered measures to track progress; and developed treatment plans to address difficulties related to medical adherence, adjustment to medical diagnoses, pain management, and procedural distress

Mental Health Emergency Services: Emergency Department (6 months)

Supervisor: Sharonne Herbert, PhD, ABPP

- Conducted targeted high-risk assessments with youth presenting to the ED due to concerns of suicidal ideation, homicidal ideation, psychosis, grave disability, and/or aggressive behaviors; utilized risk assessment measures to assess safety and risk of patients to self and others (CSSRS, ASQ); delivered family-based crisis intervention (FBCI) to patients and families; conducted safety planning; developed disposition plans; facilitated transfer to inpatient psychiatric care; assisted with linkage to outpatient services; and coordinated care between ED mental health clinicians, ED medical staff, and outside providers

Neurodevelopmental Assessment: Department of Pediatric Psychology (6 months)

Supervisor: Marni Nagel, PhD

- Conducted neurodevelopmental intake evaluations for children between 1-5 years of age with medical diagnoses (e.g., Congenital Heart Defect, perinatal HIV exposure, epilepsy); administered and scored neuropsychological measures; integrated data into comprehensive written reports; consulted with medical providers and schools; and provided feedback to families and medical providers

Consultation and Liaison Service: Department of Pediatric Psychology (6 months)

Supervisor: Mery Taylor, PhD

- Responded to inpatient unit medical referrals; collaborated with multidisciplinary medical teams, facilitated patient and family interviews; assessed suicide safety and risk; provided patient and family support around diagnosis and hospitalization; assisted medical teams and families in implementing behavioral plans to support inpatient medical treatment; provided brief interventions during hospitalization; and participated in weekly rounds

Specialty Rotations

Cherese Mari Laulhere Mental Health Inpatient Center (6 months)

Supervisors: Francesca Bahn, PhD; Alyssa Jones, PsyD

- Conducted psychodiagnostic evaluations for youth presenting with acute mental health crises (e.g., suicide risk, danger to others, grave disability, acute mental status changes); wrote integrative assessment and intake reports; facilitated weekly group therapy on unit; delivered brief individual interventions; and provided feedback to patients, families, and medical providers on an inpatient psychiatric hospital unit

Diabetes Clinic: Endocrinology (6 months)

Supervisors: Diana Graham, PhD; Sabrina Stutz, PhD

- Assessed barriers to adherence and/or adjustment to illness; assessed suicide safety and risk; developed targeted treatment plans; participated in monthly psychosocial rounds with multidisciplinary team members; and provided parent management skills, motivational interviewing, and brief evidence-based interventions for the treatment of depression, anxiety, nonadherence, disordered eating, medication manipulation, and transition to adulthood for youth diagnosed with diabetes

CHILDREN'S WISCONSIN, MILWAUKEE, WI

Doctoral Clinical Practicum Student

Cleft Lip & Palate Clinic

September 2019 – July 2020

Supervisor: Patricia Marik, PsyD

- Conducted multidisciplinary evaluations and treatment of individuals from birth to young adulthood with cleft lip/palate and craniofacial conditions; collaborated with multidisciplinary team members; developed collaborative treatment plans with team; and provided brief interventions to address procedural anxiety, family adjustment/coping, and concerns related to behavior, social, and academic functioning

Psychiatry and Behavioral Medicine Clinic

September 2019 – July 2020

Supervisor: Jacqueline Kawa, PhD

- Conducted biopsychosocial evaluations; developed treatment plans with goals typically focused on improving child compliance and reducing disruptive/externalizing behavioral problems; and facilitated Parent Child Interaction Therapy (PCIT) with families of children between 2-6 years of age presenting with a broad range of emotional and behavior difficulties

Feeding, Nutrition, and Swallowing Clinic/Gastroenterology

September 2018 – August 2019

Supervisors: Andrea Begotka, PhD; Meghan Wall, PhD, BCBA

- Conducted biopsychosocial feeding intake evaluations; developed collaborative treatment plans with multidisciplinary team members; and facilitated behavioral and cognitive behavioral interventions in outpatient and inpatient settings for children and adolescents with ARFID.

Encopresis Clinic/Gastroenterology

September 2018 – August 2019

Supervisor: Andrea Begotka, PhD

- Conducted biopsychosocial evaluations and implemented behavioral and cognitive-behavioral interventions with children diagnosed with elimination disorders

Psychiatry and Behavioral Medicine Clinic

September 2018 – May 2019

Supervisor: Andrea Begotka, PhD

- Implemented behavioral, cognitive-behavioral, and biofeedback therapies with children and adolescents diagnosed with mood and anxiety disorders

Consultation and Liaison Service

March 2019

Supervisor: Patricia Marik, PsyD

- Responded to inpatient unit medical referrals; conducted chart reviews of children and adolescents admitted for a broad range of medical conditions; collaborated with multidisciplinary teams; facilitated patient and family interviews; provided brief evidence-based treatment during hospitalization; and participating weekly trauma rounds

MARQUETTE UNIVERSITY CENTER FOR PSYCHOLOGICAL SERVICES, MILWAUKEE, WI

Doctoral Clinical Practicum Student

General Clinical – Child, Adult, & Family Therapy

August 2016 – September 2019

Supervisors: Alyson Gerdes, PhD; John H. Grych, PhD

- Conducted individual and family therapy using evidence-based interventions

Neuropsychology/Psychodiagnostic Assessment

August 2016 – September 2019

Supervisors: Alyson Gerdes, PhD; John H. Grych, PhD; James Hoelzle, PhD

- Conducted psychodiagnostic and neuropsychological evaluations with children and adults; wrote integrative psychological reports; and facilitated client feedback sessions

Counseling Center/Center for Psychological Services Therapy

August 2018 – May 2019

Supervisor: John H. Grych, PhD

- Facilitated individual therapy with Marquette University students drawing on a wide range of theoretical orientations based on client need

Attention-Deficit/Hyperactivity Disorder Clinic

September 2016 – May 2018

Supervisor: Alyson C. Gerdes, PhD

- Conducted comprehensive psychodiagnostic assessments of children with concerns of ADHD, ODD, CD, and related mood/anxiety disorders; facilitated group parent training sessions utilizing behavioral management strategies; implemented school-based interventions for families of school-aged children with ADHD symptoms; and provided individual treatment for children

WAUKESHA MEMORIAL HOSPITAL, WAUKESHA, WI

Doctoral Clinical Practicum Student

Pediatric Neuropsychology

August 2017 – July 2018

Supervisors: Rebecca Torres, PhD; Nicole Shay, PhD; Kristin Smith, PhD

- Administered and scored neuropsychological measures for children and adolescents from 3-18 years of age presenting with a variety of mental and physical health diagnoses; participated in intake and feedback sessions; wrote integrative reports; and provided feedback and recommendations to families, medical providers, and schools

AD HOC REVIEWS

APRIL 2015-PRESENT

Supervised ad-hoc reviewer for peer-reviewed journals including *Clinical Child and Family Psychology Review*, *Journal of Family Issues*, *Journal of Family Psychology*, *Journal of Interpersonal Violence*, *Journal of Traumatic Stress*, and *Social Development*.

CLINICAL SUPERVISION & TEACHING EXPERIENCE

CHOC - CHILDREN'S HOSPITAL OF ORANGE COUNTY

Pediatric Psychology Training Program

December 2022 - Present

- Serve as the primary supervisor to pediatric psychology interns and fellows on the consultation liaison service and outpatient clinic settings
- Facilitate weekly individual supervision with interns and fellows
- Co-lead training rotation with 1-2 other faculty members

Pediatric Psychology Postdoctoral Fellowship

August 2021 - August 2022

Faculty Supervisor: Maleia Mathis, PhD

- Provided vertical supervision and professional development mentorship to pediatric psychology interns on the consultation liaison service

Pediatric Psychology Predoctoral Internship

August 2020 - August 2021

Faculty Supervisor: Marni Nagel, PhD

- Provided supervision and professional development mentorship to practicum trainees in the Intensive Outpatient Program (IOP) at CHOC Children's

MARQUETTE UNIVERSITY CENTER FOR PSYCHOLOGICAL SERVICES

August 2018 - May 2019

Consultation and Supervision Strategies Doctoral Seminar

Faculty Supervisor: Stephan Saunders, PhD

- Facilitated weekly group supervision meetings with junior graduate students in conjunction with participation in weekly consultation and supervision seminar

MARQUETTE UNIVERSITY – ADJUNCT INSTRUCTOR

Undergraduate Psychological Measurement and Statistics (PSYC 2001)
Research Methods and Analysis

August 2018 – May 2019
June 2017 – July 2018

MARQUETTE UNIVERSITY – GRADUATE TEACHING ASSISTANT

Undergraduate Psychological Measurement and Statistics (PSYC 2001)
Graduate Psychological Assessment I and II (PSYC 8301 & 8302)

August 2016 – May 2017
August 2017 – May 2018

RESEARCH EXPERIENCE

PRELIMINARY PSYCHOMETRIC MEASURE VALIDATION IN CYSTIC FIBROSIS CLINIC

September 2021 – August 2022

CHOC - Children's Hospital of Orange County

Principal Investigator: Adrienne, Alpern, PhD

- Assisted in the design, data collection, and psychometric analysis of *CF Self-Efficacy and Stressor Scale for Caregivers*

RESILIENCE AND RELATIONSHIPS LAB

August 2015 – August 2021

Marquette University, Department of Psychology

Principal Investigator: John H. Grych, PhD

- Coordinated study recruitment and day-to-day operations; implemented research protocols; managed SPSS databases; completed statistical analyses; prepared data presentations; and assisted with mentoring, training, and supervising undergraduate research assistants
- Projects included understanding factors that promote resilience in children and adolescents exposed to violence and other types of adversity; examining the role of caregivers in fostering adaptive functioning in preschoolers exposed to high levels of stress and adversity; identifying determinants of bystander behavior in situations of relationship violence and sexual assault; and assessing the origins and consequences of relationship aggression between romantic partners and family members

ADHD AND LATINO MENTAL HEALTH RESEARCH LAB

August 2015 – May 2016

Marquette University, Department of Psychology

Principal Investigator: Alyson C. Gerdes, PhD

- Created and maintained SPSS databases; assisted with data collection; organized the storage of all research documentation and data; and co-supervised undergraduate research assistants
- Projects included piloting a culturally-adapted, evidence-based ADHD treatment for Latino families; and comparing treatment outcomes from the culturally-adapted treatment to standard treatment

FAMILY RESEARCH CENTER

August 2013 – May 2015

Southern Methodist University, Department of Psychology

Principal Investigator: Ernest Jouriles, PhD

- Implemented research protocols; assisted in the design and implementation of a virtual reality program; conducted literature reviews for a meta-analysis; and maintained SPSS databases
- Projects included examining high school and college students bystander behavior in response to relationship and sexual violence; and evaluating an online bystander intervention program aimed to prevent and reduce sexual violence among adolescents and young adults.

SPECIALIZED CLINICAL/MULTICULTURAL TRAINING

PROFESSIONAL PRACTICE AND SUPERVISION SEMINAR

September 2020 – August 2022

CHOC - Children's Hospital of Orange County

- Participated in weekly seminars focused on ethics, diversity, and supervision

CHILD AND ADOLESCENT PSYCHOLOGICAL PRINCIPLES SEMINAR

September 2020 – August 2021

CHOC - Children's Hospital of Orange County

- Participated in weekly seminars presented by faculty designed to build and strengthen competency in delivering evidence-based treatments for specialized pediatric populations, and to increase knowledge and ability to collaborate with multidisciplinary teams

CHILD AND ADOLESCENT ASSESSMENT SEMINAR

September 2020 – August 2021

CHOC - Children's Hospital of Orange County

- Participated in weekly seminars presented by pediatric psychology fellows and faculty designed to build and strengthen competency in screening, assessment, and evaluation within the practice of Psychology with children and adolescents.

PEDIATRIC PSYCHOLOGY DIDACTIC SERIES

September 2018 – May 2019

Children's Hospital of Wisconsin

- Participated in weekly didactics presented by pediatric psychology faculty designed to build knowledge and exposure to various pediatric medical conditions. Topics included hematology/oncology, cardiology, transplant evaluations, diabetes, inpatient consultation, pain psychology, gastroenterology psychology, integrated behavioral health care, gender health, and sleep disorders

MULTICULTURAL AWARENESS AND PROFESSIONAL INTEGRATION PROGRAM (MAPIP)

September 2015 – May 2018

Marquette University, Department of Psychology

- Completed a multicultural awareness program designed to increase awareness of multicultural psychology research, to increase understanding of diverse groups and cultures, and to promote self-reflection of how diversity awareness can be integrated into professional careers

NEUROPSYCHOLOGY CASE CONFERENCE SERIES

August 2017 – May 2018

Waukesha Memorial Hospital, Department of Neuropsychology

- Participated in bimonthly case conferences presented by adult and pediatric neuropsychologists

SEXUALITY TRAINING FOR MENTAL HEALTH CLINICIANS

January 2018

University of Wisconsin - Madison

- Completed training designed to improve awareness and ability to engage in culturally sensitive sexual discussions about sex with clients, as well as to increase knowledge of the biopsychosocial model of sexuality, the sexual response cycle, sexual dysfunctions, and when to refer clients

WORKING WITH TRANS CLIENTS

February 2017

Center for Behavioral Medicine

- Completed training designed to improve awareness and advocacy for trans clients by learning The World Professional Association for Transgender Health's *Standards of Care for the Health of Transsexual, Transgender, and Gender-Nonconforming People*

FELLOWSHIPS, GRANTS, AWARDS, & HONORS

2019	The Reverend John P. Raynor, S.J., Memorial Fellowship, Marquette University, \$23,000
2019	Society for Research in Child Development (SRCD) Dissertation Funding Award, \$2,000
2019	SRCD Graduate Student Travel Award, \$300
2019	Marquette University Graduate Student Travel Award, \$500
2018	Marquette University Counseling Center Fellowship, \$4,000
2018	Winner of Marquette University Diversity in Psychology Conference Poster Competition, \$100
2018-2016	Marquette University Graduate Student Travel Award, \$500
2015	Phi Beta Kappa National Honor Society, Southern Methodist University

PROFESSIONAL CERTIFICATIONS & MEMBERSHIPS

-
- Association for Psychological Science (APA) – Member
 - APA Division 54 – Society of Pediatric Psychology – Member
 - Equine Facilitated Psychotherapy – Certification by The HERD (APA accredited)
 - Society for Research in Child Development (SRCD) – Early Career Psychologist Member
 - Multicultural Awareness and Professional Integration Program (MAPIP), Marquette University
 - Preparing Future Faculty and Professionals Program, Marquette University
